Dear Members,

Time flies and Christmas is only weeks away. In December, to celebrate this joyful holiday season with an artistic touch, HIYA recommend to our members the following events, to bring Year 2020 to a happy end.

From 6 November 2020 to 10 January 2021, Harbor North in Hong Kong is hosting an exhibition "CAT ART". The exhibition showcases the artworks by the international renowned Japanese artist Shu Yamamoto. Yamamoto is known for replacing characters in famous paintings with cats to create his unique brand of artworks and to honor the great paintings of our world through the eyes of cats. It is both therapeutic and fun.

Date: 6 November 2020 to 10 January 2021

Time: 10: 00 - 22: 00

Venue: Harbor North, Hong Kong
